

50" Floor Standing Touch Screen Kiosk

Technical Data Sheet

Key Benefits

Enhance your business's sales and image with our advanced Touch Screen Computer Kiosks. Ideal for industries like retail, hospitality, health-care, education, and more. They serve as top advertising and customer engagement tools.

Product Category:
Touch Screen Computer Kiosk

Overview

These new kiosks are first-class computers with a full touch screen, an interactive on-screen keyboard, and a 1080p HD monitor with tempered glass. They connect to printers, scanners, and network devices, working like large wireless smartphones or tablets. Installation is easy: unpack, plug in, and turn on.
