#### Limited Warranty:

The manufacturer warrants the enclosed unit, to the original purchaser only, against factory defects in material and workmanship for twelve months from date of purchase.

Should the unit prove defective or fails to operate properly in use during the warranty period specified above, the manufacturer will repair it or replace it without charge when returned to the factory, freight prepaid, by the original producer. This warranty will be considered void if the product is tampered with, altered, modified, improperly installed or serviced, or damaged through misuse, negligence, or accident. Labor provided by the customer to remove or replace the unit is not covered under this warranty. Warranty covers parts replacement only.

When the warranty is not applicable, the customer will be charged for the cost of repair plus shipping charges. Items damaged in shipping must be returned to the factory in its original container.

The manufacturer shall in no event be liable for inconvenience, or for incidental, consequential, contingent, or any other damages. This warranty is made in lieu of any other express warranty, and, except for the foregoing warranty, which is exclusive, there is no other warranty being made.
