PRODUCT DESCRIPTION

Introducing the Origami Truss System – where innovation meets elegance. This cutting-edge 6in x 6in folding truss redefines the dynamics of display systems, offering a portable and sophisticated solution that outshines traditional truss systems in every aspect.

Key Features:

1. Portable Origami Design:

Unleash the power of portability with our Origami Truss System. Unlike conventional truss systems, this folding design ensures easy transportation and quick assembly without compromising on structural integrity.

2. Stunning Silicone Edge Graphics (SEG):

Elevate your brand presence with vibrant and flawless Silicone Edge Graphics (SEG). Choose between single or double-sided displays that can be seamlessly integrated between the truss frame or fully wrapped around, ensuring your message captivates from all angles.

3. Tailored Configurations:

Empower your brand with flexibility. Select from our library of standard configurations for a swift setup or let your creativity shine by designing a custom configuration that aligns perfectly with your unique brand identity and display requirements.

4. Comprehensive Accessories:

Illuminate your brand with a range of accessories crafted for both functionality and visual allure. Enhance your presentation with monitor mounts for interactive experiences, LED lights strategically positioned for front-lit graphics, shelving for product displays, slat walls for additional customization, and counters that invite engagement.

The Origami Truss System is more than a display solution; it's a canvas for your brand story. Whether you're an industry veteran or a newcomer, make a lasting impression with a truss system that seamlessly blends innovation, portability, and customization. Elevate your brand presence with Origami – because your brand deserves a display as unique as its story.
