

## EZ TUBE STRAIGHT 20 x 10

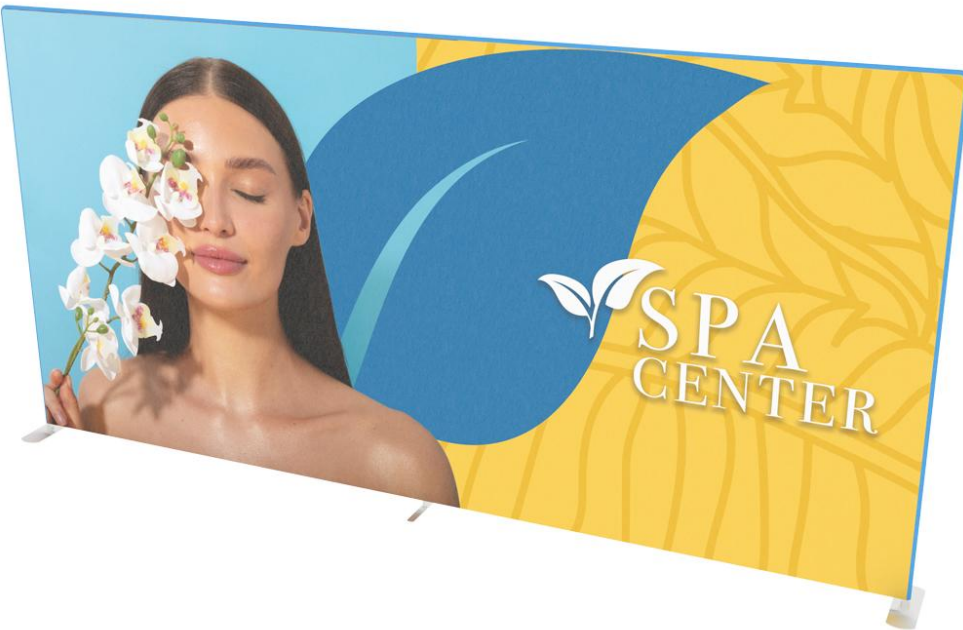

Introducing the EZ Tube 20ft Straight Tradeshow Display, now with an impressive 10ft height. This display features a robust construction with 43mm silver anodized aluminum extrusion, ensuring durability and stability. The tool-free push-button frame assembly makes setup a breeze.

The display showcases custom dye-sublimated pillowcase-style fabric graphics, offering both single and double-sided options. For single-sided graphics, choose between a sleek white or black back fabric. Installation is straightforward—simply pull the graphic over the frame and secure it with the #10 zipper at the bottom for a clean, taut appearance.

To ensure easy storage and transport, the display includes a convenient silver bag with wheels. Elevate your tradeshow presence with the professional and elegant EZ Tube 20ft x 10ft Straight Tradeshow Display.
