PRODUCT DESCRIPTION

Introducing the QSEG Counter Small, a sleek and versatile solution for your display needs. Crafted with precision and designed for convenience, this square counter display offers a perfect blend of style and functionality.

Measuring at 19.6" in width, 39.4" in height, and 19.6" in depth, this compact yet spacious counter provides ample room for showcasing your products or promotional materials. Its silver aluminum profiles ensure durability and stability, while the white laminate MDF counter top adds a touch of sophistication to your presentation.

With the QSEG Counter Small, changing graphics is a breeze. Featuring 4 dye sublimated fabric graphics with silicone edge graphic (SEG) finishing, you can effortlessly install and remove graphics as needed, allowing for seamless customization and versatility in your displays.

Setting up your exhibit is quick and hassle-free, thanks to the innovative QSEG latch system. Say goodbye to complicated assembly processes and cumbersome tools – with this intuitive system, you can have your counter ready for action within minutes.

But convenience doesn't end there. This counter also comes equipped with a removable inner shelf, providing added flexibility for organizing your materials. And when it's time to hit the road, simply pack everything into the included travel bag for convenient storage and transport.

Whether you're showcasing products at a trade show, event, or retail space, the QSEG Counter Small is your trusted companion for making a lasting impression. Upgrade your display experience today and elevate your brand with style and ease.
